RE: ~~2-Point Reduction for Efe Egbowawa - # 66675-510~~

Dear Magistrate Judge Parker -

I - Efe Egbowawa - wish to apologise to you, on my actions towards the day you sentenced me on the 17th of April - 2024.

Please Judge - have MERCY on me - I know my actions are NOT acceptable, BUT - have mercy on me. I know you did NOT intend to sentence me to 60 months, BUT - my behavior that day of sentencing cost me that. I have been told by several people you are a good and fair Judge, Please let me benefit from your goodness.

I have come to you as a son, will come to his father for forgiveness, please forgive me and give me 'time-served' or what you intended to sentence me to as your good will.

I have applied for the two point reduction-please use this opportunity to grant me my wish, whatever you do for me shall never be in vain.

Respectfully Submitted -

Efe Egbowawa - #66675-510
